

Volunteer Spotlight

Atlanta Legal Aid's clients have real-world problems for which they need competent and responsive legal representation to help them promptly navigate a challenging situation. I volunteer with Atlanta Legal Aid to give its clients access to a lawyer who will do his best to quickly and creatively solve the problem, while at the same time counseling and supporting the client during the process to try to reduce the stress the client is undoubtedly enduring.

Neal F. Weinrich
Berman Fink Van Horn P.C.

Thank you, Neal, for your commitment to Legal Aid! Our volunteers are a critical part of our program and help us work towards our mission of providing free civil legal services to our community.
